

Week 1 - please complete by Friday, March 27th

**Business  
Fundamentals**

- Complete Chapter 8 Test. This test will be open book/notes. I made the test a Google Form and posted it to Google Classroom.
- Read Chapter 9-1 and review 9-1 PowerPoint. Answer Chapter 9-1 review questions.

**Multimedia**

- Create a vlog (video blog) showing your time in quarantine. Record five activities you have done at home during your time away from school (homework, video games, being outside, cooking, etc.). Make sure to add a title with a background, transitions throughout, subtitles, and music.
- Grading sheet is posted on Google Classroom. Upload to Google Classroom when finished.

**Accounting  
II**

- Complete Chapter 12 Test. This test will be open book/notes. When finished, take a picture of each page of the test and upload this under the "Chapter 12 Test" assignment on Google Classroom.
- Google Classroom Code: **bjib6zm**

**7<sup>th</sup> Computer  
Applications**

- Using Google Slides or Microsoft Word, create a presentation that lists the five activities you have done while being quarantined. There should be a presentation theme, at least seven slides (including the title, 5 activities, and an ending slide), pictures of every slide, and transitions between every slide.
- Grading sheet is posted on Google Classroom. Upload to Google Classroom when finished.

**8<sup>th</sup>  
Financial  
Literacy**

- Review Lesson 1 PowerPoint posted on Google Classroom.
- Complete the google form named "Values, Wants, & Needs" under the classwork tab. Make sure to click "submit" when finished.
- Complete the google form named "Needs vs Wants."
- Google Classroom Code: **6imo4ta**
